
ALICK MIGHALL

PROFILE & EXPERIENCE

For 28 years I've maintained a solid reputation as a product manager, analyst and business leader, defining strategy at board level and delivering large-scale multi-site and multi-lingual web and video applications via cross-functional teams.

Scrum Product Owner (PSPO I)	Building innovative products for NFL
Led miggle to a global award in 2016	Delivered several media firsts at Yahoo

DIRECTOR OF PRODUCT, TEMPUS EX MACHINA INC. – 02/21-06/22

First employee outside of US. Focussed on rolling out video/stats analysis software for NFL, as well as productising Tempus Ex's multi-sport synchronised data and video APIs. Responsible for hiring and leading a global product team and establishing processes.

DIGITAL TECHNOLOGIST, MIGGLE.ONE – 09/18-02/21

I helped clients make effective roadmap, budgetary, supplier and team building decisions on their digital projects, advising them on how they make the most out of their investment by improving their approach to product and project management.

CONSULTANT, PROJECT MANAGEMENT ON DEMAND (PMOD) – 01/19-03/20

Providing consultancy services on digital products and projects for PMOD clients.

MANAGING DIRECTOR, MIGGLE.CO.UK – 01/07-08/18

Delivered 11 continuously profitable years, averaging good for sector pre-tax profits of 16%, where employees on average stayed with miggle for almost five years.

Built an award winning agency, serving government, health, education, charity, travel, broadcast, commerce, news, sports and entertainment clients. Working across the entire product lifecycle, I increased audiences, revenues, user engagement, performance, reliability and security as well as improved accessibility, IA, processes, workflows and UX for clients by helping them achieve self-sufficiency.

Built and managed AOLs 2008 UEFA European Championship microsite.

TECHNICAL DIRECTOR, CULTUREBANK – 11/09-01/11

Reduced operating costs by product managing delivery of an open source multi-site recruitment platform, which was rolled out across seven markets, for Fitness First.

HEAD OF NETWORK PRODUCTS & SERVICES, YAHOO EU – 01/05-04/06

Working with cross-functional teams in eight European Markets, I managed a team of Product Managers with regional responsibility for home pages, Personalisation, Billing and Distribution. My key achievement was to role out, for the first time in Yahoo history, a new front page design simultaneously across eight European markets.

HEAD OF FRONT PAGE & PROGRAMME MANAGEMENT, YAHOO EU 01/04-01/05

Responsible for all EU markets' Front Pages. Additionally responsible for improving processes and platforms for local media and information products across the region.

My key achievement was to take the nebulous role of Producer and create product related job families, gradings, roles, responsibilities and competencies with a view to improving career development and business planning, as Yahoo grew in Europe.

ACTING DIRECTOR OF PRODUCTS & SERVICES, YAHOO UKIE 01/03-01/04

Served on the board and as well as Production, also managed Sales Production, Content Biz Dev and Customer Care functions.

HEAD OF PRODUCTION, YAHOO UKIE – 04/01-01/03

Established new transactional and premium revenue streams.

Significantly increased media revenues through the introduction of innovative sales programmes and standardisation of IAB centred sales programmes.

Oversaw the first ever piece of video advertising on a major UK web page online.

Rolled out the first UK full page online take over, for which I was awarded a European employee of the year award.

Led editorial coverage of some significant current affairs events in the early noughties.

Yahoo UK's primary representative at the FIFA 2002 World Cup in Japan/South Korea.

Previous Positions at Yahoo: Senior Producer for Commerce Integration (Oct 2000-Mar 2001); Shopping Producer (Mar 2000-Oct 2000); Store Builder (Sep 1999-Mar 2000)

INTERESTS

Being outdoors, distance running, mountain biking, current affairs, investing, making
music. After leaving Yahoo, before returning to Brighton to establish miggles and start
a family, my partner and I went traveling for 10 months. Nowadays we get away in the
camper van with our three children whenever time allows.
